FEC letter dated 04/09/03 in response to Amended September Monthly Report (8/01/02-8/31/02), received 3/28/03

Dear Ms. Parks:

In the above referenced letter, you have identified that the Sierra Club Political Committee may have made an excessive contribution to the Jean Camahan for Missouri Primary election campaign. The check reported in transaction ID SB23.8250 for \$3,900 dated 8/30/02 was not cashed and a stop payment was placed on the check shortly after it was issued. The stop payment was dated 09/06/02 and was reported in the Amended October Monthly report in transaction ID SB23.8251. Taking this into consideration, the expenses no longer exceed the campaign limit.

Sincerely,

Margaret Conway  
Sierra Club Political Committee
